(Minutes of August 1, 1921, Continued)

The Board having delayed action in the matter of awarding the purchase of transformers to this date it was determined that though the Pittsburgh Transformer Company's bid was the lowest in price yet owing to the distance to the nearest available stock, (Pittsburgh), and also to the fact that the performance factors of these transformers were not mentioned in the bid, that the award should be made to the Wagner Electric Company. This was done by the adoption of Resolution No.159 declaring all other bids rejected by the following vote:-

Ayes, Trustees, Rich, Hale, Crose and Montgomery.

Noes, Trustees, None.

Absent, Trustees, Hickok.
